

TAMEED

TECHNICAL ASSISTANCE FOR MEN'S
EMPLOYMENT AND ENTREPRENEURSHIP DEVELOPMENT

MEN'S EMPOWERMENT PROJECT

The **Technical Assistance for Men's Employment and Entrepreneurship Development (TAMEED)** programme is designed to empower men by equipping them with the necessary skills, resources, and guidance to achieve sustainable employment and entrepreneurial success. This initiative addresses the challenges men face in today's competitive job market and business environment by providing tailored support and practical solutions.

OBJECTIVES

- Enhance Employability
- Foster Entrepreneurship
- Bridge Skill Gaps
- Promote Economic Growth

CORE PROGRAMME OFFERINGS

Career Development: Comprehensive training in technical skills, resume building, and interview preparation.

Entrepreneurship Support: Workshops on business planning, financial management, and market strategies.

Mentorship and Coaching: Access to seasoned mentors for personalized guidance and advice.

Networking Opportunities: Connect with industry professionals, investors, and like-minded peers.

Access to Resources: Provide tools, funding options, and information to ensure participants' success.

TARGET AUDIENCE

The programme primarily caters to men aged 18 and above, including recent graduates, mid-career professionals, and those looking to pivot into entrepreneurship. It particularly focuses on individuals facing barriers to employment or seeking guidance in navigating the complexities of launching a business.
